

Student Health

The superintendent shall arrange for health services to be provided to all students. Such services shall include but not be limited to:

- A. The maintenance of student health records;
- B. The development of procedures at each school for the temporary care of students who become ill or injured during the school day;
- C. Consulting services of a qualified health specialist;
- D. Vision (both distance and near) and hearing screening; and
- E. Immunization records and screening.
