

Regulation of Dangerous Weapons on School Premises

It is a violation of district policy and state law for any person to carry a firearm or dangerous weapon on school premises, school-provided transportation or areas of other facilities being used exclusively for school activities unless specifically authorized by state law. Carrying a dangerous weapon onto school premises, school-provided transportation, or areas of other facilities being used exclusively for school activities in violation of RCW 9.41.280 is a criminal offense.

The superintendent is directed to see that all school facilities post “Gun-Free Zone” signs, and that all violations of this policy and RCW 9.41.280 are reported annually to the Superintendent of Public Instruction.

- Any explosive;
- Any weapon containing poisonous or injurious gas;

Reporting Dangerous Weapons

- An appropriate school authority will promptly notify the student's parents or guardians and the appropriate law enforcement agency of known or suspected violations of this policy. Students who violate this policy will be subject to discipline. Students who have possessed a firearm on any school premises, school-provided transportation, or school-sponsored activities at any facility shall be expelled for not less than one year pursuant to RCW 28A.600.420. The superintendent may modify the one-year expulsion for a firearm on a case-by-case basis.
- The district may also suspend or expel a student for up to one year if the student acts with malice (as defined under RCW 9A.04.110) and displays a device that appears to be a firearm.
- No expulsion under RCW 28A.600.420 prevents the district from continuing to provide educational services in an alternative educational setting in compliance with RCW 28A.600.015. Any alternative setting should be comparable, equitable and appropriate to the regular education services a student would have received without the exclusionary discipline. Example alternative settings include one-on-one tutoring and online learning.
