

Adult School Bus Transportation

When, in the opinion of a building principal, the district's needs would be best served, the principal may request that the transportation department permit a specified parent, guardian, or custodian of a student enrolled in the district to ride a school bus on a regularly scheduled route if no public transportation is reasonably available. Such request to the transportation department must be no later than 24 hours in advance of the need to ride.

No deviation from established bus stops or established route times will be made.
