Earn 6.00% APY* on your Savings and Checking Accounts.

Make your money work as hard as you do!

Here's how:

All members who make recurring direct or payroll deduction deposits to their savings account or checking account and receive e-Statements for those accounts will earn 6.00% APY on any amount up to \$500 in their savings account and 6.00% APY on any amount up to \$500 in their checking account**. As a member, you can qualify to earn this exceptional rate with just two easy steps:

Step 1: Sign up for FREE eStatements. Replace your paper statements with an online version that's available 24 hours a day. Security experts recommend electronic statements as a smart way to trim your paper trail and reduce your risk of identity theft. Once you enroll, we'll even begin building a 14-month online statement archive for you. To sign up, please visit our website, log into Online Banking, and click on "eStatements & Notices."

Step 2: Set up automated deposits to either your savings or checking account via direct deposit of your entire paycheck or payroll deduction of a portion of your paycheck.

- **School Employees:** Simply complete the School Payroll Authorization on the back of this flier, sign it, and give the form to your payroll department. If you would like your entire paycheck deposited to your credit union account, ask your payroll office about direct deposit.
- **Non-School Employees:** Please contact your payroll office to set up automatic deposits of either a portion of your paycheck via payroll deduction or your entire paycheck via direct deposit.

There's never been a better time to "pay yourself first." You'll be amazed how quickly your dividends add up!

** For amounts over that, they'll continue to earn the credit union's regular competitive rates. The benefit will be limited to one savings and one checking account receiving eStatements and direct deposit/payroll deduction per primary account holder. For members with multiple savings and checking accounts, the rate will be applied to the accounts that have been open the longest. Youth accounts (M3 Money Club and Elements of Money) qualify without automated deposits. Specialty accounts like the IRAs and UTTMA trusts are ineligible. Terms and conditions of this program are subject to change without notice. Please see our website or contact us during regular business hours for details.
