

District Driving Directions 2013

“Kids are the point”

The size and geographical features of our district can make some of our schools somewhat difficult to find. This can be a problem for new employees as well as veterans of the district. These driving directions are meant to provide the least confusing route to each school from Interstate-5 or the Student Services Center (SSC). Please drive safely.

If you are at the building after working hours, there is also parking to the left of the ramp.

Enter the only door at that level. To get to the Food Services conference room, go down the hall, around the curve to the left (continue straight for the restrooms), and then to the right and the Food Services door will be at the end of the hall. Once through that door, the door to the conference room is immediately to your left.
