16 or more					14,233	14,934	14,243	15,159	15,832

Column G: Represents grandfathered employees previously placed and reported on the State Report. Employees not previously reported on this column are not eligible for this column, regardless of the number of credits accrued.

To calculate placement after a Masters Degree - Add all credits beyond the BA, subtract 45, and the resulting figure determines the educator's respective MA+ column.
