### **HOMELESS STUDENTS: ENROLLMENT RIGHTS AND SERVICES**

To the extent practical and as required by law, the district will work with homeless students and their families to provide stability in school attendance and other services. Special attention will be given to ensuring the enrollment and attendance of homeless students not currently attending school. Homeless students will be provided district services for which they are eligible, including Head Start and comparable pre-school programs, Title I, similar state programs, special education, bilingual education, vocational and technical education programs, gifted and talented programs and school nutrition programs.

Homeless students are defined as lacking a fixed, regular and adequate nighttime residence, including:

- C. Living in emergency or transitional shelters;
- D. Are abandoned in hospitals;
- E. Awaiting foster care placement;

Attendance rights by living in attendance areas, other student assignment policies, or intra and inter-district choice options are available to homeless families on the same terms as families resident in the district.

If there is an enrollment dispute, the student shall be immediately enrolled in the school in which enrollment is sought, pending resolution of the dispute. The parent or guardian shall be informed of the district's decision and their appeal rights in writing. The district's liaison will carry out
